Dear Mr. Grams:

This is in response to your letter of March 7, 1994, concerning the abandoned asbestos-containing material site located near St. Louis, Missouri. We are currently discussing this matter in an effort to determine the most appropriate mechanism to seek a clean up of this site. I will keep you and your staff informed regarding the approach we take and any progress toward resolution.

If you have any further questions regarding this matter, please don't hesitate to contact me.

Very truly yours,
